

DISCLOSURE OF OWNERSHIP

Physicians are required by Texas law (SB 872, 2005) to disclose ownership or financial interest in any health care facilities where their patients may receive medical care. Richard G. Buch, M.D., P.A. respects the rights of his patients to choose not only their surgeon but also where they wish to have their surgery done.

Richard G. Buch M.D., P.A. has ownership in Pine Creek Medical Center, Surgery Center of Dallas and Centennial Surgery Center. These facilities are private, state of the art physician owned and operated. The facilities are owned by many health care providers interested in bettering the health of the community thru a more efficient and personalized delivery of health care. The facilities are fully accredited by the Joint Commission on Accreditation of Health Organizations (JCAHO) and by the Centers for Medicare and Medicaid Services (CMS).

Richard G. Buch M.D., P.A. may also have ownership interest in the digital radiography (X-Ray) and MRI equipment used at the facilities. The facilities maintain quality, state of the art diagnostic equipment to quickly and accurately diagnose our patients' injuries and institute treatment programs.

We encourage our patients to discuss any concerns they have with us at any time so that they may make informed decisions regarding their medical care.
